Community as a Resource

Community as a Resource

- **People in community has common interest**
 - Most likely you will find something interesting.
- **Everyone is unique**
 - Most likely you will find someone with **different** set of knowledge/experience.

Community as a Resource

- People in community has common interest
- Everyone is unique
- Naturally you will be able to **take/give** something

Take and Give

Take & Give

(The Law of Equal Trading)

TAKE

- Knowledge
- Insights
- New friends/Exposure
- Job offer
- Free swags
- Public Speaking

GIVE

- Knowledge
- Insights
- Ideas
- Money
- Effort
- Time

Giving to The Community

- Knowledge & Insight: nothing to lose
- Ideas: Ideas can be expensive
- Money: Tangible, measurable, however the value is subjective
- Effort: Effort can be expensive
- Time: Time is irreversible

My Experience

INC-Malang

INC-Malang

INC (Indonesia Nunchaku Club) is a community focusing on nunchaku free-style. Occasionally we also do a bit of fire-dancing, tricking, and everything else.

INC-Malang members are mostly millennials.
